

# Activity Sheet

## Design Your Own

## Plant Markers!

Print off the plant markers below, then colour them in and write the name of the plant and the date you planted it before sticking it on a lollypop stick! Then, you can pop this into the soil of your plant and keep track of what you're growing.

We'd love to see what you're growing - make sure you tag us on Instagram or send us a message on Facebook with a picture of your plants!
